## PERSONAL PROFILE

As a highly motivated and ambitious junior web developer, I am passionate about delivering high-quality websites that are both functional and visually appealing. With a firm foundation in HTML, CSS, and JavaScript, I am eager to expand my knowledge and skills, and to contribute to the development of cutting-edge web applications.

## EDUCATION

2021-Present      : studying bachelor of Software Engineering at Jimma University Institute of  Technology.
2019-2020         : studied Hawas Preparatory School.
2017-2018         : studied Burka Secondary School .
2015-2016         : studied Burka Elementary  School.

## SKILLS

Excellent knowledge of  a variety of  programming languages including Java, C++, JavaScript,SQL, and PHP.

## HOBBIES AND INTEREST

I enjoy coding, solving puzzles, helping less economically fortunate people, and socializing with friends and family
